
Package civil wedding in Orta at lake Orta

- ♥ Orta is a cute small village at lake Orta, next to the famous Lago Maggiore in North Italy. Tiny streets invite you to stroll around, to relax in cafès, to sit down in the restaurants and just enjoy life there. Interesting to visit the mini-island San Giulio in front of the village where once a famous monk settled a church and a monastery. Quite famous is this village for all it poets that passed by: Nietzsche, Balzac, Browning etc.
- ♥ Fantastic to reach from international airport Milan Malpensa.
- ♥ The civil wedding takes place in the historic building of Villa Bossi right next to the lake. In summer there it is as well possible to have the civil ceremony outside in the garden of Villa Bossi. If you want you may arrive by boat as the villa has a small jetty in front of their garden. This is really romantic.
